

Notice About Recycling Services

Due to the lack of interest in the Valet Recycling Pick Up Service, Residents will be responsible for disposing of their own recyclables using the receptacles provided around the Center Square Apartments Community. Therefore, you will no longer need the Blue recycling container you were provided and we be picking them up over the next few days. Please leave your Blue container in the hallway.

Cardboard pick up service will continue as long as the boxes are broken down flat and place up against the wall beside the trash container during normal service times— Sunday through Thursday (Excluding Holiday) between 5 PM and 7 PM.

There are three Recycling container locations available:

A-Tower Recycling Room—located to the Right of the Hub Lockers

B –Tower Recycling Room—located to the Right of the Hub Lockers

Recycling Dumpster—located on the B-Side Parking Lot

About recycling: Did you know that not everything you think may recyclable is recyclable?

The attached flyer defines what items are considered recyclable and may be placed in the Recycling Containers located throughout the property. If it is not on the list, then it is trash.
