

Call on me, anytime.

Don't waste time on the phone with a call center.

I'm here to serve your Fios® needs. As a resident of Center Square Towers, you can turn to me for any questions or issues you have with your Fios service.

As the Fios specialist for your building, I can help you:

Place an order, install your equipment or
renew a contract

Answer billing, product or service questions

Tell you about current offers and promotions

Answer any additional questions you have
